

MG Trophy Championship

Classes C & D

Head Skim

Regs TR 7.7.1.2 & 8.7.1.1 states:-

“Cylinder heads are 118.95 – 119.05 mm thick. These may be skimmed down to the datum point, a witness of this datum point must remain to be seen.”

There are 4 datum points and are as shown below

PM Issue 1 24/6/15
